By registering absentee bids on the following items, you contract with Worth Auctions to purchase those items at the high bid amounts, up to your specified maximum bid. To request that we enter one advanced bid beyond your specified maximum bid in order to break a tie between a floor bid and your specified maximum, place a check in the column titled "Break Tie?". At the discretion of Worth Auctions, absentee bids will be secured in advance by authorizing your credit card for an amount equal to half of your maximum bids, totaled. Absentee bids are subject to an additional 2.5% buyer's premium. Thank you!
